

CALL FOR ARTISTS

Murrieta Rotary's Field of Honor invites artists to its

7th Patriots Chalk Walk

...a chalk art tribute to our heroes

Artists are invited to paint patriotic images on a sidewalk that abuts the massive display of American flags that is the Field of Honor.

The Field includes more than 2,300 flags, many of which are dedicated to personal heroes -- military vets, first responders, family, anyone important in our lives.

Various activities go on during the week. The display attracts thousands during the Field's Nov. 9-16 run.

Art remains up throughout the event.
